### NON FOOD VENDORS ONLY

<b>Clean Up</b>	Garbage left by vendors has increasingly become a problem for us. It is the vendor's responsibility to remove their garbage and leave their booth space clean. This will be monitored on festival day. Garbage bins are located throughout the mall but we encourage vendors to take their packaging home with them.
<b>Vendor's Permits</b>	All vendors are responsible for obtaining an Ontario Sales Tax Permit, if required. Hawkers and Peddlers permits from the Township are arranged by the festival committee for the day of the festival.
<b>Insurance</b>	Liability insurance is the vendor's responsibility.

**Note:** E.M.S.F. mall committee will make the final decision concerning your booth location. Booth spaces are located on the main street in Elmira (Arthur Street) and are east and west of the road centre line. If applying for multiple booths, please mark the boxes on the application indicating if you want "side by side" (spaces beside each other either on the West or the East side) or "back to back" (spaces behind each other West & East which allow selling products from both sides of the street). Please see the example below.

#### Mall Layout (Example of layout)

If requesting more than one booth, please mark the layout boxes on the application indicating how you would like your booths situated. We will try to accommodate your request but cannot guarantee that it will be possible.
