Set Up	Vendors using trailers in their booth must be set into position on the Mall between 3:00 a.m. – 4:00 a.m. on festival day. After this time we cannot guarantee that you will get your trailer into your designated spot. All vehicles not used as part of booth set up <u>must be off the mall before 7:00am.</u>
Selection Process	Applications are assessed annually. Some preference may be given to previous vendors in good standing. Your items should reflect the Maple Syrup festival and / or be unique to highlight your skills / abilities. Please list all the items you intend to sell on the application. The festival has the right to stop a vendor from selling items including those items not indicated on the application. The festival will confirm your selection by email in late January/early February 2026.
Clean Up	Garbage left by vendors has increasingly become a problem for us. It is the vendor's responsibility to remove their garbage and leave their booth space clean. This will be monitored on festival day. Garbage bins are located throughout the mall but we encourage vendors to take their packaging home with them.
Vendor's Permits	All vendors are responsible for obtaining an Ontario Sales Tax Permit, if required. Hawkers and Peddlers permit from the Township are arranged by the festival committee for the day of the festival.
Insurance	Liability insurance is the vendor's responsibility.
