2027 Outdoor Mall Vendor • Information Sheet

NON-FOOD VENDORS ONLY

Saturday, April 3, 2027

Booth Fees	The festival has a flat booth fee for all non-food vendors. 1 space = $229 (plus HST) 2 spaces = $457 (plus HST) 3 spaces = $685 (plus HST) 4 spaces = $911 (plus HST)
Power Supply (Electricity)	Any vendor requiring access to an electrical outlet (110v) will pay an additional $30.00 + HST to cover our electrical maintenance costs. Vendors must limit their usage to 15 amps. We will be checking this on festival day. Vendors using more electricity than approved and causing power interruptions will be shut down immediately. All electrical cords must be strung overhead from the light post to their booth **or** laid on the ground. **Ground installations must be covered with carpets or mats to avoid tripping, no exceptions**. Use of generators on the Mall is limited to a few pre-approved vendors where electrical outlets are not available. Freezers and refrigerators are not permitted due to power consumption.
Vehicles inside booths	If a vehicle is used as part of booth set up, there is a minimum of two spaces required for each vehicle. Additional fee for each vehicle: $50.00 + HST.
Payment	For returning vendors, your fee payment must accompany your application. The deadline for applications and payment is January 15, 2027.
Booths	Space only is provided. There is no available water supply. Vendor must supply and set up all equipment and shelter, if applicable. Each space is 10ft x 10ft square. If requesting more than one booth, please mark the layout boxes on the application indicating how you would like your booths to be situated. **Note:** The E.M.S.F. Mall Committee will make the final decision concerning your booth location. Booth spaces are located down the center of the main street in Elmira (Arthur Street) and are east and west of the road center line with pedestrian traffic around the perimeter. If applying for multiple booths, please mark the boxes on the application indicating if you want "side by side" west or east or "back-to-back" west and east.  *B = back-to-back* *S = side by side*

NON-FOOD VENDORS ONLY

Saturday, April 3, 2027

Set-up	Vendors using trailers in their booth must be set into position on the Mall between 3:00 a.m. – 4:00 a.m. on festival day. **After this time we cannot guarantee that you will get your trailer into your designated spot.** All vehicles not used as part of booth set up must be off the mall before 7:00am.
Selection Process	Applications are assessed annually. Some preference may be given to previous vendors in good standing. Your products should reflect the Maple Syrup festival and/or be unique to highlight your skills/abilities. Please list all the items you intend to sell on the application. The festival has the right to stop a vendor from selling items including those items not indicated on the application. The festival will confirm your selection by email in late January/early February 2027.
Clean Up	Garbage left by vendors has increasingly become a problem for us. It is the vendor's responsibility to remove their garbage and leave their booth space clean. This will be monitored on festival day. Garbage bins are located throughout the mall but we encourage vendors to take their packaging home with them.
Vendor's Permits	All vendors are responsible for obtaining an Ontario Sales Tax Permit, if required. Hawkers and Peddlers permit from the Township are arranged by the festival committee for the day of the festival.
Insurance	Liability insurance is the vendor's responsibility. Bring a copy of your valid insurance certificate on April 3rd.
