We sincerely thank you for your past support and once more ask you to partner with us for the 63rd Elmira Maple Syrup Festival. The Elmira Maple Syrup Festival Committee is in the process of planning the Elmira Maple Syrup Festival (EMSF) that is scheduled to take place on Saturday, April 3, 2027. We are excited and confident that this year's festival will not only be very successful, but also a testament to our strong values as a caring community. By sponsoring our next Festival, we can help numerous local groups provide care and support to those in need. We couldn't do all this without you.

The EMSF committee is passionate about having a festival in 2027. The committee can provide funding to 32 local groups that depend on the success of the festival. ***Your help is needed now more than ever.***

Details on the benefits of your sponsorship are attached to the information package, along with an outline of the Leaf Levels to help you select the right level for you.

The Elmira Maple Syrup Festival is a not-for-profit organization operated entirely by a volunteer committee and supported by 2,000 volunteers on the big day. The festival is only possible because of your generous contributions and support. Without you, the festival would not exist. Our 2026 Festival was successful, and the community support was outstanding. Without your help, these local agencies would not receive funds that they desperately need now more than ever. Your partnership with the festival shows strong support and just how much our community has been able to come together. In 2026 the committee was able to donate ***$75 000*** *to* ***32 community organizations and agencies.***

In addition to receiving exposure for your business, your donation strengthens organizations that rely on the financial support the festival provides each year. Our recipients included:

- 1st St. Jacobs Girl Guiding Group
- Beyond Housing
- Big Brothers, Big Sister of Waterloo
- 822 Tutor Squadron RCAirC
