2027 Grant Application for Financial Assistance

All grant applications must be submitted by Friday, February 19, 2027.

The Elmira Maple Syrup Festival's goal is to offer a family-friendly, volunteer-led festival to celebrate Elmira's history as a community that produces maple syrup through a blend of traditional and innovative events that attract guests from across Ontario and beyond. We want to present the best one-day spring festival in Ontario that honours our host of volunteers, supports local non-profit organizations, respects the environment, and partners with the maple syrup producers, downtown businesses, and the local community to make the Elmira Maple Syrup Festival a must-attend event every year.

Neither the receipt of an application form nor grant funds in previous years ensures approval for future grants.

Completed grant applications for funds from the current festival must be received at the Elmira Maple Syrup Festival Committee office no later than 5:00 pm on Friday, February 19, 2027.
